Principal's message

Happy New Year! I hope you all had a wonderful holiday season filled with rest and joy. As we step into the second half of the school year, I'm excited about the incredible learning and growth that lies ahead for our students.

The coming months will be full of opportunities—whether it's diving deeper into literacy and numeracy, exploring creative projects, or engaging in hands-on experiences that spark curiosity and critical thinking. Our dedicated staff is committed to creating an environment where every child feels supported, challenged, and inspired to reach their full potential.

The school and the PAC have some exciting events and activities planned that will bring our school community together and celebrate the amazing talents and achievements of our students. Stay tuned for more details in upcoming newsletters!

Warm Regards,
Ms. Lemon

Welcome Back SKE!

Winter Weather

Students are expected to wait outside until the morning bell rings and they are expected to go outside for a fresh air break. Please ensure that your children are dressed appropriately for the weather.

Supervision is provided after
8:10 am and until 2:45 pm

Parent Teacher Interviews

Parent-teacher conferences are scheduled for:

Thursday, January 29th
and
Friday, January 30th.

Students will be **dismissed** on these dates at **12:30 p.m.** Busses will be running. Because there will be no formal recess or lunch period on these days, it will be important to provide your child with a substantial snack.

Please watch for information from your child's teacher for further details.

Sharing Kindness Everyday!

School Communication Emails

Please check school emails regularly to ensure that you stay updated on all important announcements and deadlines.

All school emails can also be found in the School Messenger app.

Student Messages

Please notify the office of important student messages (e.g. your child needs to go on bus or an appointment scheduled during the day). *It is best to have this communicated to the office via phone or email since teachers cannot check their emails during instructional time.*

All other messages can be communicated in student planners regarding after school arrangements different from the norm. Playdates should be made from home.

Please do not have student make last-minute playdate arrangements during the school day.

Safety Drills

We hold six fire drills per year: three each in the fall and spring. We also hold an earthquake drill and lockdown drill in the fall.

The earthquake drill provides students with a procedure to follow should they experience an earthquake anywhere anytime.

The purpose of the lockdown drill is to practice a safety procedure to be used in the event that students and staff are required to remain in a safe location until an all-clear signal is given.

AFTER Thursday, September 3, 2026

New in-catchment area enrollments: Parents will be notified by a confirmation email when the school has accepted the student's application for enrollment. Board Policy 405R – Student Placement (Regulations), will be used to determine student placement and priority.

New out-of-catchment area enrollments: Parents will not be notified until after the summer enrollment period is over and all in-catchment area students have been placed.

Qualifying age: The School Act requires that a child must be five years of age by December 31, 2026, to qualify for school enrollment in September 2026. No exceptions.

For further information, please visit the School District website www.sd23.bc.ca or call (250) 860-8888.

SKE COLD WINTER GUIDELINES

Students must be dressed properly for the weather. Students wait outside until the morning bell rings and they are expected to go outside for some fresh air at lunch and recess. **Students must be dressed appropriately for the weather so that they remain safe and comfortable during these outside playtimes.**

We do not have a school or district policy for cold weather procedures. However, the following guidelines are in place at South Kelowna Elementary School.

BELOW FREEZING (-1 Celsius to -15)

Students will go outside. Parents should ensure that their child brings the following items needed to stay warm and comfortable when outside:

- ❖ Warm Coat
- ❖ Gloves Mittens
- ❖ Head/Ear covering
- ❖ Boots
- ❖ Waterproof snow pants

-15 to -20 Celsius: Students will go outside providing the wind is calm and the students will be able to stay dry. The Environment Canada website (<http://www.weatheroffice.gc.ca>) will be used to check weather conditions. The same clothing items as noted above should be worn. If the wind starts to pick up, we will ring the bell early and allow students to come inside to their classroom for the remainder of the outside play time.

-20 Celsius: If the temperature reaches minus 20 Celsius, and the grounds are dry and the wind is calm, students will go outside for 15 minutes. After 15 minutes, the bell will ring to allow students to come inside to their classroom for the remainder of the outside play time.

TEMPERATURE REACHES -20 Celsius (with windy conditions)

If the temperature reaches -20 Celsius, and it is windy, students will stay inside their classrooms during lunch and recess.

Snow Safety

- Snow must stay on the ground (no throwing or kicking snow). This includes school property, at the bus stops & between home and school.

Sledding Rules

- Single riders only
- Riders must wear snow pants, boots & mitts
- Sleds provided by the school; please do not bring from home.
- Bottom down; knees ok as well.
- Facing forward (no tummy or back rides)
- Supervised at lunch only.
