

Library News - Battle of the Books

The **Battle of the Books** is an optional reading motivation program. Its goals are to encourage and recognize students who enjoy reading, broaden their reading interests, and promote teamwork and strategy as they prepare for the zonal battle in April.

A new list of books for each grade level is compiled each year and is included below. Students are expected to have read **at least two of the eight books** from their grade-level list by the time we return from winter break in January.

In early April, we will hold a **school-based Battle of the Books** to determine which students from each grade will represent our school at the **Zonal Battle in April 2026**. More information will be shared as these dates approach.

We wish all students participating in the Battle of the Books a wonderful year of reading!
