# Principal's Message

February! It's a time to reflect on the relationships and connections we each have as a community. Between Valentine's Day, Family Day and Pink Shirt Day, there are many opportunities to express our gratitude for the amazing people in our lives.

With Family Literacy Week wrapping up, we encourage as many SKE families as possible to complete the Literacy Bingo Sheet and drop it off at our office. How many do you think we can collect?

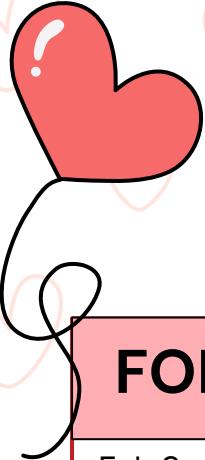

Here's a question for you: **Do you have a barbecue that we could borrow for our ELFF night on April 15th?** ELFF - Early Learning for Families - it's the event where we welcome our incoming 3-5 year olds so they can get to know our school. This year we have invited the local firefighters to cook! But we need a few bbqs to make this happen. If you can lend yours for the afternoon, please get in touch with us. We usually serve pizza, but wouldn't it be way more exciting with firefighters & bbq yumminess?

On the right, you'll see a photo of a group of students. This was one of our "Eagle Expert" sessions, where student volunteers meet with me to talk all thing SKE - learning, friendships, activities, school culture and more. Students from all grades will be part of these conversations, and their thoughts & ideas will be an essential part of helping us make school decisions.

In the spirit of  
kindness,  
**Ms. Lemon**

## LOST AND FOUND

Please check the front foyer for any misplaced or valuable items your family may be missing.

All unclaimed items will be donated just before spring break. A big **THANK YOU** to our amazing PAC for volunteering their time to organize and care for our lost and found items!

Inline Skating Update: Due to circumstances at Alien Inline Skating, they need to reschedule our booking. It will now be June 8 - 17th. All classes will still receive 3 lessons.

# PINK SHIRT DAY

## February 25th

Pink Shirt Day reminds us to be kind and stand together against bullying. Wearing pink shows we care and support our friends. Students and staff are encouraged to wear pink to show that our school is a place where everyone belongs and bullying is not okay. Our school will be engaging in a community gathering in the morning, and then taking part in positive activities throughout the day!

Let's fill our school with pink and spread kindness everywhere on February 25th! ❤️

DAY**

## Roots of Empathy

This year, our kindies are participating in **Roots of Empathy**, a program designed to help children understand their own emotions and the feelings of others. Through guided discussions and shared experiences, students learn empathy, respect, and caring—skills that last a lifetime.

# FEBRUARY IS INCLUSION MONTH!

## BLACK HISTORY MONTH

February is **Black History Month**, a time to celebrate and learn about the important contributions of Black leaders, inventors, artists, and everyday heroes who have helped shape our country. Throughout the month of February, students will explore inspiring stories of courage, creativity, and perseverance, and learn how these individuals made a difference in their communities and beyond. It's a wonderful opportunity to celebrate diversity, kindness, and the power of making positive change.

This month, we celebrate ***Inclusive Education***—a time to recognize that everyone belongs and everyone learns in their own unique way. Inclusive classrooms value differences, encourage kindness, and help all students feel safe, supported, and ready to learn. This month we are reminded that our differences make our school stronger. When we learn together, we grow together!

## HUMAN RIGHTS MONTH

**Human Rights Month** is a time to recognize and celebrate the basic rights and freedoms shared by all people. It highlights the ongoing efforts toward justice and equality and reminds us of the importance of standing up against discrimination. This month encourages learning, awareness, and positive action to support the dignity and rights of every individual, helping to build a more fair and inclusive world.

# Share your Thoughts: Provincial Student Learning Survey

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement.

The information is used for planning in individual schools and provides a district and provincial perspective. Early in 2026 the Student Learning Survey will be administered to students in grade 4 at SKE, as well as their parents/guardians/caregivers, and all school staff.

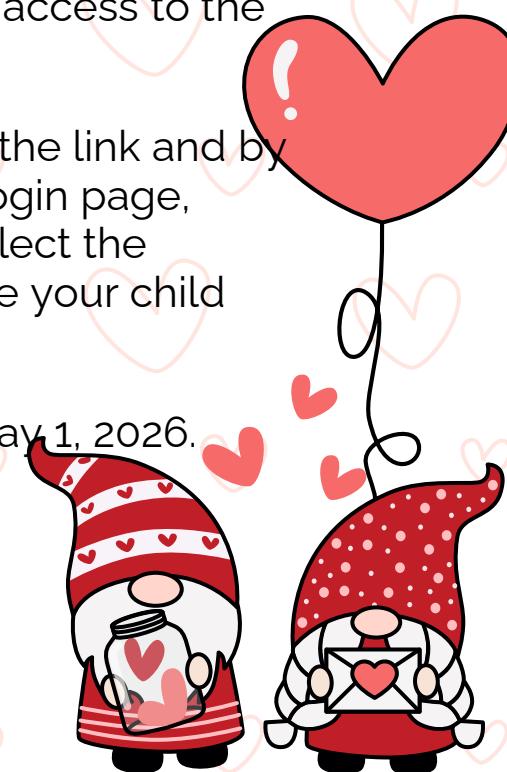

We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement.

The survey can be completed electronically and can be accessed on the Internet through the link below. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure.

The survey can be accessed through the link and by clicking on **Take the Survey**. On the login page, click on the **Parents** icon, and then select the school district and school name where your child attends school.

The e-survey site will be open until May 1, 2026.

# Kelowna Rockets Visit

SKE was lucky to welcome four Kelowna Rockets players this month, on two separate occasions. These young athletes inspired our students, read to them, played some excellent floor hockey, and brought some pretty awesome excitement to our school! We are big fans!

# Four Food Chiefs Project in Grade 4

Mrs. Bernard's class recently explored the traditional syilx story, or *captikʷł* (chap-teek) ["The Four Food Chiefs"](#) or "How Food Was Given", using activities developed by local art teacher Jim Elwood. This story is a way of understanding the interconnectedness of all living things and the importance of showing gratitude. It also helps people recognize that each living thing has its own talents and skills, and that we need all of us to truly be successful.

# Family Reading in Ms. Romano's Class

"I love when my dad comes and reads with us!"

Family Literacy Matters! Ms. Romano's class has just started Friday morning family reading sessions, where volunteer parents join the students to start the day reading together. Our students love to see their parents and caregivers in their classrooms, becoming part of their learning stories!

Thank you to the volunteers who make this happen each week. We hope it brings a smile to your faces too!

# Social-Emotional Learning @ SKE

At SKE, we believe that learning extends beyond academics. A key part of a child's success in school and in life is Social Emotional Learning (SEL)—**the development of skills that help students understand and manage emotions, build positive relationships, solve problems, and make responsible choices.**

Through SEL, students learn how to recognize and express their feelings, understand the perspectives of others, and respond to challenges in healthy ways. These skills help create a safe, supportive learning environment where students feel confident and ready to learn.

Our SEL instruction supports students in developing essential social skills such as communication, cooperation, empathy, and conflict resolution. Students also build emotional intelligence by learning strategies to manage frustration, stress, and disappointment while showing kindness and respect toward others.

They learned to nurture friendships just like you have to nurture a flower garden!

At SKE, we use a balanced approach to support all learners:

- **Small group social skills lessons** provide targeted instruction for students who need additional support. These groups focus on skills needed to make and keep friends, including understanding social cues, managing emotions, and resolving peer conflicts.
- **Whole-class social skills lessons** ensure all students develop a shared understanding of expectations, problem-solving strategies, and respectful behavior. These lessons help students practice SEL skills in real-life classroom settings.

By intentionally teaching Social Emotional Learning, SKE is helping students grow into confident, caring, and capable individuals. These lessons are led in collaboration between our Inclusion Teacher, Mrs. Lindsay, our counsellor, Mrs. Brassard, and classroom teachers.

Thank you for partnering with us as we support the whole child—academically, socially, and emotionally.

  - British Columbia Driver's License (copy of both sides); or,
  - A current income tax return filed as a British Columbia resident.

**AFTER Thursday, September 3, 2026**

**New in-catchment area enrollments:** Parents will be notified by a confirmation email when the school has accepted the student's application for enrollment. Board Policy 405R – Student Placement (Regulations), will be used to determine student placement and priority.

**New out-of-catchment area enrollments:** Parents will not be notified until after the summer enrollment period is over and all in-catchment area students have been placed.

**Qualifying age:** The School Act requires that a child must be five years of age by December 31, 2026, to qualify for school enrollment in September 2026. No exceptions.

For further information, please visit the School District website [www.sd23.bc.ca](https://www.sd23.bc.ca) or call (250) 860-8888.

# Parking & Parking Safety

Thank you for taking care of our community by being mindful of, and following the parking lot expectations. Your modeling for our students makes a huge difference!

## Thank you for:

- Using the paved pathways and crosswalks at all times rather than cutting through the parking lot and bus lane.
- Obeying ALL NO PARKING signs. Busses require clearance to enter and exit safely. This ensures the safety of all vehicles entering and exiting the school grounds.
- Keeping our neighbor's driveways open so they can access or exit their homes.

## Drop Off & Pick Up:

**Spiers Road:** **\*\* BEST OPTION \*\*** If dropping off on the school side (West), please be sure child(ren) **exit the right-hand side** of the vehicle directly onto the sidewalk. Please follow signage—do not park past the tall cedars as it makes it very difficult for busses to exit. If dropping off on the far side of the road (East), please park your car and **escort your child(ren) across the road.**

**Bus Loop:** **\*DROP OFF ONLY AFTER 8:10 a.m.\*** You may use the bus loop to drop off after the busses have left **after 8:10 a.m.** If dropping off in the bus loop, please be sure your child(ren) **exit the right-hand side** of the vehicle directly onto the sidewalk. This avoids children going around vehicles and being in the line of passing cars. **Do not leave your vehicle while utilizing the bus loop.**

**Staff Parking Lot:** The parking lot is for **STAFF only. Staff in various roles need to access the parking lot throughout the day, including those arriving for after-school activities.**
